

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of KCP&L Greater Missouri Operations) File No. ER-2016-0156
Company's Request for Authority to Implement a) Tracking Nos. YE-2016-0223
General Rate Increase for Electric Service) and JE-2017-0007

ORDER SUSPENDING TARIFF SHEET

Issue Date: July 8, 2016

Effective Date: July 8, 2016

The Commission is granting KCP&L Greater Missouri Operations Company's ("GMO") "request for merger of tariff filing" ("motion").¹ In the motion, GMO states that it inadvertently omitted one tariff sheet from the filing that initiated this general rate case and states that it has filed that tariff sheet with a proposed effective date of August 6, 2016. GMO asks that the Commission suspend the tariff sheet consistently with the other tariff sheets² and consider it with the others filed in this case.

The Commission may suspend a tariff for 120 days beyond the tariff's effective date pending a full hearing on the propriety of the tariff³ and, if that time is not enough to conclude a full hearing on the tariffs' propriety, the Commission may extend the suspension for not more than six months.⁴ GMO states that the motion is the result of discussions with Staff.

The Commission will grant the motion.
